Rs 1,58,784 Except the last two in respect of which neither estimates been prepared nor have the Municipal Councils consented to in their quotas of the cost, all the other proposals are separately under consideration of the a sum of Rs 12,487 regarding the electrification of the Davangere water supply works last year but reported to have lapsed will have to be allotted during the current year. The other proposals which involve heavy financial implications may have to wait for the present at least on account of various causes such as revision of the estimates due to sudden fluctuation of price level of machinery & materials and non-availability of the materials in the market. In short these works proposals will have to be considered on their individual merits as & when more complete information is received.

4) The remaining minor improvement works are estimated to cost Rs 48,896-8-0. In respect of most of these works estimates have been prepared and the concerned Municipal Councils have come forward with their quotas. In the case of a few works in the minor villages which are unable to pay their share of the cost or those which have agreed to pay a portion of the cost, outright grants for the works have been recommended. The grants for all the minor improvement works ^{est} amount ^{amount} to Rs 48,896-8-0. May perhaps be sanctioned.

of the provision made in the 1943 Budget for improvement of water supply in towns during 1943-44 is Rs 2,50,000.

6) Out of the above amount, allotments to the extent of Rs 1,28,896/8/ have been already made. vide statement A.

7) Demand to the extent of Rs 2,67,77/- has been made by the DCS & Dir of P.W. in regard to the works to be taken up as shown in statement B. Leaving out for the present the few works which are of a major nature - refer to in para 3.

The allotment to be made in respect of minor works amount to Rs 4,889. These may be sanctioned if there would still be a reserve of Rs 72,206/- available for allotment in respect of items which may come up for consideration in the course of the year, and promises, if any, made by the Dewan & Minister Ld & Ht during the tour.

Measure proposed are for valley. Much headway cannot be made in the execution of these works for want of c/s. Law secy for pipes & cement 12/1/43

10. Allotment of Rs 48,888 & for items other than the five referred to in para 3 may be sanctioned.

11. 2 The suggestion made in para 6 may be accepted.

12. 3 The same items referred to will have to be considered individually.

13) The Minister of P & W was pleased to make enquiries about the water supply grants on 10.2.1943, when the Dir of P & W, the Sanitary Eng^r were also present.

A grant of Rs. 3800 has been subsequently sanctioned for the Sravanabelagiri Municipality for filling up the Kalyani with water drawn in pipes from Sangikottu tank. This will be included in the statement of works already sanctioned & may be kindly approved.

15) In regard to the Kational project for water supply from Chitalap, kind ref^{ce} is invited to the file linked herewith. Decision has not yet been reached as to whether the scheme should be given up.

Further information has been called for from the Dir of P & W in the matter & a D.O. number has been also issued to him on 5/7/43.

In reply to the Residing, it was also intimated

that the taps (9") purchased in this context are required for completing the scheme as early as possible. In the event of giving up the scheme, the iron pipe of one lakh value & the same would be available for diversion to other purposes especially for agricultural purposes, in respect of which the grant made during the current year has been entirely distributed.

 water supply questions. As against
 these works, the estimate for Rs 18,235/- for
 improvement of water supply to Ariekal dam
 has been since sanctioned and a Grant of
 Rs 15,000 has been allotted therefor
 from out of the reserve available under
 the W S Grant for the current year
 The scheme for the improvement of water
 supply to Maddur & Shivapura is

been ordered to be deferred for the present due to non availability of the materials and the abnormal increased cost

There is a reserve of about ^{Rs} 55,000 ~~available~~ available under the W S Grant for the current year excluding the sum of one lakh of rupees required for the Kathral project

The other major proposals referred to at para 3 have been ordered to be at para 12 to be considered individually as and when they are received
